

NEED HELP PAYING FOR FOOD?

SNAP helps keep healthy food on the table for you and your family.

WHAT IS THE SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP)?

SNAP provides monthly benefits helping low-income households buy the food they need. SNAP operates at a local level through the Mississippi Department of Human Services. Nationally, SNAP is the largest program in the domestic hunger safety net. Benefits are provided on an easy-to-use Electronic Benefits Transfer (EBT) card that can be swiped at the store.

WHY SNAP?

- Your SNAP EBT card is easy to use
- Benefits the entire family
- Access to fresh food
- Apply quickly online or in-person
- Get food from your local grocery store or online

HOW AND WHERE CAN YOU USE SNAP:

HOW

Your benefits will be distributed onto an EBT card and you can use them to buy staple food items.

WHERE

Like a credit card, your EBT card can be used to buy food at most grocery stores, some online retailers, and even some local farmer's markets.
