Foreword

On behalf of the Mississippi Department of Human Services, the Division of Youth Services is honored to present the 2022 Annual Report. The primary purposes of the Mississippi Juvenile Justice System, in conjunction with maintaining public safety, are promoting rehabilitation and successful reintegration of youth into their community. It is our hope that this report will highlight specific trends and aid our state in reducing the number of youths involved in the Mississippi Juvenile Justice System.

The Mississippi Department of Human Services would like the report to serve as a resource for stakeholders as we seek improvements in our juvenile justice efforts. Through partnerships with other state agencies, youth court judges, and stakeholders, the Mississippi Department of Human Services continues to seek community-based alternatives for youth within our juvenile justice system. In addition, by developing relationships with schools, parents, and community partners, we are optimistic that we will see positive outcomes in Mississippi's Juvenile Justice System.

- To establish multi-agency, cooperative partnerships with local communities.
- To establish uniformity in DYS services, case management practices and procedures.

INSTITUTIONAL PROGRAMS

Oakley Youth Development Center (Oakley), located in rural Hinds County, incorporates holistic, therapeutic programs to promote rehabilitation. Oakley serves both boys and girls aged 12 to 17, who have been adjudicated delinquent by a local youth court for a felony-level offense and committed to the custody of the Mississippi Department of Human Services for placement at Oakley.

Goals

- Provide rehabilitative services to at-risk youth.
- Promote public safety in communities.
- Reduce the risk of re-offending.
- Address the specific criminogenic factors causing delinquent behavior.

Intake and Admissions: Staff work through a diagnostic and evaluation protocol which gathers medical, dental, recreational, educational, vocational and psychological data on each student. Students receive a complete physical and full-scale psychological assessment which includes personality profiling, drug and alcohol abuse risk questionnaire, suicide risk assessment, academic testing and a trauma risk assessment tool called the Trauma Symptom Checklist for Children.

Mental Health and Rehabilitative Programs: The psycho-educational program offered is designed to build basic concepts of self-discipline, self-worth, personal responsibility, and respect for lawful authority. Individual and Group Counseling provides Dialectical Behavior Therapy (DBT), Cognitive Behavior Therapy (CBT), social skills development, anger management, sex education that includes information on sexually transmitted diseases and abstinence, drug and alcohol awareness, character education, sexual offender counseling and psycho-correctional skills. The Honors Program (HP) is a voluntary program for eligible youth which combines specialized classes with work projects designed to benefit other youth at the facility and the public. The program allows youth to participate in the election process, contribute to the local community and learn to preserve the environment. Youth attend special classes, participate in the student government which helps direct the students' program activities, engage in work projects both on the Oakley campus and in the local community to earn additional privileges.

Academic and Career & Technical Educational Programs: Students are placed in academic and vocational classes at Williams School on the Oakley campus according to their previous school placement and additional educational evaluation. This enables students to continue their educational advancement during their commitment. DYS' non-public school is accredited by the Mississippi Department of Education to provide a curriculum in conformity with the DYS mission and accreditation requirements.

- Local Area Network (LAN) Computer Labs provide remedial, job interest assessment and cognitive development, facilitated by the Cognitive Development Program.
- Electronic classrooms allow students to experience "virtual" field trips and view satellite downlinks of various programs.
- Williams School has a licensed library/media specialist who provides instructional planning and delivery assistance to students and teachers.
- GED Preparation and Testing is offered to eligible students.

Division of Youth Services

- ACT® preparation and testing is offered to students who have graduated or earned a GED.
- Career Technical Education funds and grants are used to provide programs such as Welding, Carpentry, Small Engine Repair, Auto Body Repair, Basic Business Computer and Custodial Maintenance.
- Students who are eligible can take the Armed Services Vocational Aptitude Battery (ASVAB) test.
