# Foreword

---

On behalf of the Mississippi Department of Human Services, the Division of Youth Services is honored to present the FY2025 Annual Report. The primary purposes of the Mississippi Juvenile Justice System, in conjunction with maintaining public safety, are promoting rehabilitation and successful reintegration of youth into their community. It is our hope that this report will highlight specific trends and aid our state in reducing the number of youths involved in the Mississippi Juvenile Justice System.

The Mississippi Department of Human Services would like the report to serve as a resource for stakeholders as we seek improvements in our juvenile justice efforts. Through partnerships with other state agencies, youth court judges, and stakeholders, the Mississippi Department of Human Services continues to seek community-based alternatives for youth within our juvenile justice system. In addition, by developing relationships with schools, parents, and community partners, we are optimistic that we will see positive outcomes in Mississippi's Juvenile Justice System.

## **INSTITUTIONAL PROGRAMS**

Oakley Youth Development Center (Oakley), located in rural Hinds County, incorporates holistic, therapeutic programs to promote rehabilitation. Oakley serves both boys and girls aged 12 to 17, who have been adjudicated delinquent by a local youth court for a felony-level offense and committed to the custody of the Mississippi Department of Human Services for placement at Oakley.

### ***Goals***

- Provide rehabilitative services to at-risk youth.
- Promote public safety in communities.
- Reduce the risk of re-offending.
- Address the specific criminogenic factors causing delinquent behavior.

Students receive a complete physical and full-scale psychological assessment which includes personality profiling, drug and alcohol abuse risk questionnaire, suicide risk assessment, academic testing and a trauma risk assessment tool called the Trauma Symptom Checklist for Children.

**Mental Health and Rehabilitative Programs:** The psycho-educational program offered is designed to build basic concepts of self-discipline, self-worth, personal responsibility, and respect for lawful authority. The program allows youth to participate in the election process, contribute to the local community and learn to preserve the environment. Youth attend special classes, participate in the student government which helps direct the students' program activities, engage in work projects both on the Oakley campus and in the local community to earn additional privileges.
