I. POLICY

It is the policy of MDHS/DYS in accordance with Individuals with Disabilities Education Act of 2004 that schools within our district ensure that special education students have access to educational and vocational education as outlined in their IEP. Career/Technical classes will be determined by the IEP committee and/or the educational program.

II. DEFINITIONS

As used in this policy and procedure, the following definitions apply:

IEP- a written statement for a student with a disability that is developed, implemented, reviewed and revised in accordance with Rules 160-4-7 Special Education and required procedures of the Mississippi Department of Education.

III. PROCEDURE

1. Upon entering the school and receipt of educational records, the special education teacher will review the records received. If the current IEP documents specific vocational programs that are available at the schools, the teacher will inform the

guidance counselor and/ or the vocational coordinator.

2. Thereafter, educational staff shall develop a school schedule based on the data from the IEP and/or educational assessments. All special education students shall have access to Career/Technical education. If specific services are required by the IEP, the school shall provide services as closely as possible to meet the needs of the student. If the same or similar programs are not available, the student will provide his/her vocational preferences to staff for scheduling purposes. Efforts will be made to grant students their vocational choice(s) in order of preferences.

3. Career/Technical teachers are responsible for providing instruction related to the student's goals and objectives which include allowing accommodations as specified in IEP.

1. Career/Technical teachers will provide student's progress toward the attainment of goals and objectives as stated in the IEP.

2. Copies of Career/Technical records will be maintained in the cumulative record and Special Education record.
