## **POLICY**

It is a policy of the Mississippi Department of Human Services, Division of Youth Services, that employees are not allowed to have weapons of any description in their possession while at the facility, except as distributed by the administration. This includes firearms, knives, stunning or paralyzing gases, homemade devices, etc. that may be used to cause harm to persons or property. Any employee violating this policy will be dismissed from the facility campus and may be terminated from employment. It is the obligation of any employee having knowledge of such a violation to report this violation to the administrator on duty.
