I. REQUIRED TERMS

- **Paymode.** Payments by state agencies using the State's accounting system shall be made and remittance information provided electronically as directed by the State. The State may, at its sole discretion, require the Independent Contractor to electronically submit invoices and supporting documentation at any time during the term of this Agreement. Independent Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.
- **E-Payment.** Independent Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The MDHS agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the MDHS within forty-five (45) days of receipt of invoice. Mississippi Code Annotated § 31-7-305.
- **Applicable Law.** The Contract shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of laws provisions, and any litigation with respect thereto shall be brought in a court of competent jurisdiction in Jackson, Hinds County, Mississippi. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the MDHS, the MDHS shall have the right upon ten (10) working days written notice to Independent Contractor, to terminate this agreement without damage, penalty, cost or expenses to the MDHS of any kind whatsoever. An appropriate adjustment shall be made in the delivery schedule or Independent Contractor price, or both, and the Contract shall be modified in writing accordingly, if:

 - (2) the loss of any license, permit, certification or other document granted to Independent Contractor by an Agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,
 - (3) both. In the event of such cancellations/terminations, Independent Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.
 - **Transparency.** This Contract, including any accompanying exhibits, attachments, and appendices, is subject to the “Mississippi Public Records Act of 1983,” and its exceptions. - **Termination for Convenience.**

- (1) ***Termination:*** The Executive Director of the MDHS or designee of the MDHS may, when the interests of the MDHS so require, terminate this Contract in whole or in part, for the convenience of the MDHS. The Executive Director of the MDHS or designee shall give written notice of the termination to the Independent Contractor specifying the part of the Contract terminated and when termination becomes effective.
- (2) ***Independent Contractor's Obligations:*** The Independent Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the Independent Contractor will stop work to the extent specified. The Independent Contractor shall also terminate outstanding orders and subcontract as they relate to the terminated work. The Independent Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Executive Director of the MDHS or his designee may direct the Independent Contractor to assign the Independent Contractor's right, title, and interest under the terminated order or subcontracts to the State. The Independent Contractor must till complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

- **Termination for Default.**

- (1) ***Default:*** If the Independent Contractor refuses or fails to perform any provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, or otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the Executive Director of the MDHS or designee may notify the Independent Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Executive Director of the MDHS or designee, such officer may terminate the Independent Contractor's right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Executive Director of the MDHS or designee may procure similar services in a manner and upon terms deemed appropriate by the Executive Director of the MDHS or designee. The Independent Contractor shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- (2) ***Independent Contractor's Duties:*** Notwithstanding termination of the Contract and subject to any directions from the Executive Director, the Independent Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Independent Contractor in which the State has an interest.
- (3) ***Compensation:*** Payment for completed services delivered and accepted by the MDHS shall be at the Contract Price. The MDHS may withhold from amounts due the Independent Contractor such sums as the Executive Director of the MDHS or designee deems to be necessary to protect the MDHS against loss because of outstanding liens or claims of former lien holders and to reimburse the MDHS for the excess costs incurred in procuring similar goods and services.
- (4) ***Excuse for Nonperformance or Delayed Performance:*** Except with respect to defaults of subcontractors, the Independent Contractor shall not be in default by reason of any failure in performance of this Contract in accordance with its terms (including

any failure by the Independent Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if the Independent Contractor has notified the Executive Director of the MDHS or designee within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the Independent Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the Independent Contractor to meet the Contract requirements. Upon request of the Independent Contractor, the Executive Director of the MDHS or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the Independent Contractor's progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the MDHS under the clause entitled (in Fixed-Price Contracts, "Termination for Convenience," or in Cost-Reimbursement Contracts, "Termination"). (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).

- (5) ***Erroneous Termination for Default:*** If, after notice of termination of the Independent Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the Contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph Four (4) of this clause, the rights and obligations of the parties shall, if the Contract contains a clause providing for Termination for Convenience of the MDHS, be the same as if the notice of termination has been issued pursuant to such clause.
- (6) ***Additional Rights and Remedies:*** The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this Contract.
- **Termination upon Bankruptcy.** This Contract may be terminated in whole or in part by the MDHS upon written notice to Independent Contractor, if Independent Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Independent Contractor of an assignment for the benefit of its creditors. In the event of such termination, Independent Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this Contract, but in no case shall said compensation exceed the Total Contract Price.

ATTACHMENT D**(Continued)****II. OPTIONAL TERMS**

- **Anti-Assignment/Subcontracting.** Independent Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Independent Contractor's special skills and expertise. Independent Contractor shall not assign, subcontract, or otherwise transfer this Agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this Agreement. Subcontracts shall be subject to the terms and conditions of this Agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this Agreement shall be binding upon the respective successors and assigns of the parties.
- **Attorney's Fees and Expenses.** Subject to other terms and conditions of this Agreement, in the event Independent Contractor defaults in any obligations under this Agreement, Independent Contractor shall pay to the State all costs and expenses (including, without limitation, investigative fees, court costs, and attorney's fees) incurred by the State in enforcing this Agreement or otherwise reasonably related thereto. Independent Contractor agrees that under no circumstances shall the customer be obligated to pay any attorney's fees or costs of legal action to Independent Contractor.
- **Authority to Contract.** Independent Contractor warrants: (a) that it is a validly organized business with valid authority to enter into this Agreement; (b) that it is qualified to do business and in good standing in the State of Mississippi; (c) that entry into and performance under this Agreement is not restricted or prohibited by any loan, security, financing, contractual, or other Agreement of any kind; and, (d) notwithstanding any other provision of this Agreement to the contrary, that there are no existing legal proceedings or prospective legal proceedings, either voluntary or otherwise, which may adversely affect its ability to perform its obligations under this Agreement.
- **Information Designated by Independent Contractor as Confidential.** Any disclosure of those materials, documents, data, and other information which Independent Contractor has designated in writing as proprietary and confidential shall be subject to the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1. As provided in the Contract, the personal or professional services to be provided, the price to be paid, and the term of the Contract shall not be deemed to be a trade secret, or confidential commercial or financial information.

Any liability resulting from the wrongful disclosure of confidential information on the part of Independent Contractor or its subcontractor shall rest with Independent Contractor. Disclosure of any confidential information by Independent Contractor or its subcontractor without the express written approval of the MDHS shall result in the immediate termination of this Agreement.

- **Confidentiality.** Notwithstanding any provision to the contrary contained herein, it is recognized that the MDHS is a public agency of the State of Mississippi and is subject to the Mississippi Public Records Act. Mississippi Code Annotated §§ 25-61-1 *et seq.* If a public records request is made for any information provided to the MDHS pursuant to the Agreement and designated by the Independent Contractor in writing as trade secrets or other proprietary confidential information, the MDHS shall follow the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1 before disclosing such information.

- **Copyrights.** Independent Contractor agrees that the MDHS shall determine the disposition of the title to and the rights under any copyright by Independent Contractor or employees on copyrightable material first produced or composed under this Agreement. Further, Independent Contractor hereby grants to the MDHS a royalty-free, nonexclusive, irrevocable license to reproduce, translate, publish, use and dispose of, and to authorize others to do so, all copyrighted (or copyrightable) work not first produced or composed by Independent Contractor in the performance of this Agreement, but which is incorporated in the material furnished under the Agreement. This grant is provided that such license shall be only to the extent Independent Contractor now has, or prior to the completion of full final settlements of Agreement may acquire, the right to grant such license without becoming liable to pay compensation to others solely because of such grant.
- **Debarment and Suspension.** Independent Contractor certifies to the best of its knowledge and belief, that it:
 - (1) is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transaction by any federal department or agency or any political subdivision or agency of the State of Mississippi;
 - (2) has not, within a three (3) year period preceding this proposal, been convicted of or had a civil judgment rendered against it for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction;

- **Failure to Deliver.** In the event of failure of Independent Contractor to deliver services in accordance with the Contract Terms and Conditions, the MDHS, after due oral or written notice, may procure the services from other sources and hold Independent Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies that the MDHS may have.
- **Failure to Enforce.** Failure by the MDHS at any time to enforce the provisions of the Contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the Contract or any part thereof or the right of the MDHS to enforce any provision at any time in accordance with its terms.
- **Final Payment.** Upon satisfactory completion of the work performed under this Contract, as a condition before final payment under this Contract, or as a termination settlement under this Contract, Independent Contractor shall execute and deliver to the MDHS a release of all claims against the State arising under, or by virtue of, the Contract, except claims which are specifically exempted by Independent Contractor to be set forth therein. A vendor, successful or unsuccessful, may request a post-award vendor debriefing, in writing, by U.S. mail or electronic submission, to be received by the Agency within three (3) business days of notification of the Contract Award. The Agency shall be allowed to schedule and/or suspend and reschedule the meeting at a time when a representative of the Office of the Mississippi Attorney General can be present.

7-114.02 When Debriefing Should Be Conducted

Unless good cause exists for delay, the debriefing should occur within three (3) business days after receipt of the vendor request and may be conducted during a face-to-face meeting, by telephonic or video conference, or by any other method acceptable to the agency. The Chief Procurement Officer or designee should chair the meeting, and where practicable, include other staff with direct knowledge of the procurement.

7-114.03 Information To Be Provided

At a minimum, the debriefing information shall include the following:

- (1) The Agency's evaluation of significant weaknesses or deficiencies in the vendor's bid, proposal, or statement of qualifications, if applicable;
- (2) The overall evaluated cost or price, and technical rating, if applicable, of the successful vendor(s) and the debriefed vendor;
- (3) The overall ranking of all vendors, when any ranking was developed by the agency during the selection process;

- (5) Reasonable responses to relevant questions about selection procedures contained in the solicitation, applicable regulations, and other applicable authorities that were followed.

7-114.04 Information Not To Be Provided

The debriefing shall not include point-by-point comparisons of the debriefed vendor's bid, proposal, or qualification with those of other offering vendors. Any written request by a vendor for nondisclosure of trade secrets and other proprietary data is subject to the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1 and §§ 75-26-1 through 75-26-19.

The protest shall be submitted in writing within seven (7) calendar days of the award or within seven (7) calendar days of the solicitation posting if the protest is based on the solicitation. A protest is considered filed when received by the Chief Procurement Officer. Protests filed after the seven (7) day period shall not be considered.
