

STEPS TO BECOMING A CCAIR APPROVED SITE

MISSISSIPPI CHILDCARE CRISIS
ASSISTANCE IN ISOLATION RESPONSE PLAN

1. Contact the Mississippi Department of Human Services to request information

Visit <http://www.mdhs.ms.gov/ccair> or email ccair@mdhs.ms.gov for information about how to become a CCAIR site.

- **CCAIR Orientation Training (online course)**
CCAIR administration or the Site Coordinator must complete the online CCAIR training. (approx. 30 minutes).

2. READ the CCAIR site manual

Visit www.mdhs.ms.gov/ccair to download the manual.

- **E-Ledger Training (online course)**
ONLY required if the site accepts children with subsidy certificates
This training (approx. one hour) is only required for staff that are assigned to enter attendance online of children that have a subsidy certificate.

3. Apply online to become a CCAIR site

Visit www.mdhs.ms.gov/ccair to apply.

4. Complete requirements for ALL staff:

• Criminal Background Checks

All staff must have the following criminal background checks before being allowed to work onsite:

1. In-State Criminal Registry Check
2. In-State Sex Offender Check
3. In-State Child Abuse and Neglect Check
4. National FBI Criminal Fingerprint search
5. National Criminal Information Center Search
6. National Sex Offender Registry Search

5. Schedule a site inspection

The potential site will be inspected by the Mississippi State Department of Health. Be sure to have criminal background checks and immunization records for all staff.

6. Sign the CCAIR attestation

The CCAIR attestation will be sent to the site representative for an electronic signature.

• Staff Immunizations

All staff must have current MSDH Immunization 121 Form, or a waiver authorized by the Mississippi State Department of Health before being allowed to work onsite.

7. Collect 121 immunization forms for children

All children must have a current MSDH Immunization 121 Form or waiver authorized by Mississippi State Department of Health before attending. Collect a copy of the form.

• Health and Safety Training (online course)

All staff must complete a self-paced Health and Safety Training online (approx. one hour).

8. Register children online

Register all the children that will be receiving care at the site.

• First Aid/CPR Certified

A minimum of one staff member who is First Aid/CPR certified must always be on site when children are present at the CCAIR site.
