- 2) Budget Narrative – discussed further below and sample provided as Attachment A;
- 3) Cost Estimation Worksheet – discussed further below and template provided as Attachment B; and

2. Budget Narrative

Respondent's proposal shall contain a written justification that adequately explains the Respondent's funding needs to provide the proposed services in accordance with the applicable subsections of Sections 2.4 – 2.6 of the RFP. Requested funds through the Respondent's proposal should be reasonable to carry out the requested R&R services. (see 2 C.F.R. §200.404 regarding reasonableness of costs).

Regarding the Budget and Budget Narrative components, emphasis is placed on deliverable products and services versus administrative costs. Respondents are expected to submit their best and lowest budget, and MDHS reserves the right to reject any proposal with an unreasonable budget.

If Respondents include Indirect Cost and/or Fringe Benefits as Budget Categories, Respondents shall be willing to negotiate a lower Indirect Cost Rate and Fringe Benefit Rate. The Budget Narrative shall provide a description justifying each requested budgeted amount for each service line item.

This narrative shall relate funding needs to the operation of individual activities. Each major budget category shall be justified with detail about how the funds will be used to include, but not be limited to, the following:

- b) Description and justification of cost allocation percentages for any particular budget line item reflected as a percentage;
- c) Description, as applicable, of how the purpose, scope, and projected costs of any subcontracts with lower-tier partner(s) will support programmatic and administrative activities to accomplish the proposed goals and objectives over the project period;
- d) Budget and budget narrative for any subcontracted services involved in the operation of the proposed program;
- e) Cost summary of key personnel, including the program personnel and any subcontracted personnel; and
- f) Any other information that further justifies requested funding.

NOTE 1: NO MORE THAN 5% OF THE TOTAL AMOUNT REQUESTED MAY BE BUDGETED FOR ADMINISTRATIVE COSTS WHICH SHALL ALSO INCLUDE INDIRECT COSTS. (45 C.F.R. §98.54).

NOTE 2: As applicable, any Administrative or Indirect Costs included as part of Respondent's lower-tier partner agreements will be counted towards Respondent's Administrative Cost cap of 5%.

Pursuant to Title 45 C.F.R. §98.54, Administrative Costs include costs that are costs necessary for the proper administration of the Child Care Development Fund (CCDF) program or separate State programs which includes the costs for general administration and coordination of these programs and all indirect (or overhead) costs. Administrative Costs DO NOT include costs related to personnel performing program services. Please consult the above referenced 45 C.F.R. §98.54 for further clarification of Administrative Costs.

3. Cost Estimation Worksheet

Respondents shall complete a Cost Estimation Worksheet that further details the associated costs and describes the provided services and is a component of the Price Estimate.

A Cost Estimation Worksheet template is herein incorporated and provided as Attachment B to be completed and included as a component of the Respondent's Budget and Price Estimate pursuant to Sec. 4.1.8 and Sec. 4.3(6) of the RFP.

Funding Restrictions

The CCDF shall be expended in accordance with federal requirements and applicable state and local laws, except as superseded by 45 C.F.R. 98.3. CCDF funds may not be used as the nonfederal share for other federal grant programs. Funds provided under grants or contracts to providers may not be

used for any sectarian purposes. For state and local agencies and nonsectarian agencies or organizations, no funds shall be expended for the purpose or improvement of land, or for the purchase, construction, or permanent improvement of any building or facility (45 C.F.R §98.56).

Respondents shall complete the herein incorporated Attachment C to disclose funding received from other sources during the term of a potential MDHS Subgrant Agreement (Oct. 1, 2022 through Sept. 30, 2024) to provide R&R related services. If Respondent organization does not receive funding from other sources, Respondent shall complete Attachment C by filling in the chart with “N/A” which represents “Not Applicable.” Respondent’s authorized signatory shall sign the completed Attachment C attesting to and certifying the accuracy of the completed Attachment C – Current Funding Statement.
